

# Make Special Name Event Guide

Welcome to Make Special Name event! This guide will help you understand how to collect Alphanumeric and Name Length tickets, mint Make Special NFTs, and reserve your one-of-a-kind character name in MapleStory N. Moreover, starting on Dec 10th, 2024, your reserved name can be minted as NFT and be tradable on OpenSea (Avalanche).

## 1. Event Overview

Make Special Name event gives Explorers like you the chance to reserve a unique character name before MapleStory N officially launches. By participating in daily raffles in MapleStory N or engage in buying and selling activities with fellow Explorers, you can collect Make Special Name NFTs to reserve your stylish character name.

## Event Period & What You Can Do

Throughout the 2nd Pioneer test and Gear Up period (November 20-December 23, 2024), you can

- Complete daily check-in quests in MapleStory N to earn ticket raffle entries
- Win Alphanumeric and Name Length tickets through raffles
- Buy and sell these tickets with fellow Explorers in [MapleStory Universe Marketplace](#)
- Mint Make Special Name NFTs with your collected tickets
- Buy and sell your Make Special Name NFTs on [OpenSea](#) (Avalanche)

You can continue reserving character names with your Make Special Name NFTs until late January, 2025 (Exact date will be announced through official announcement)

Starting on Dec 10th, 2024, your reserved name can be minted as NFT and be tradable on OpenSea (Avalanche).

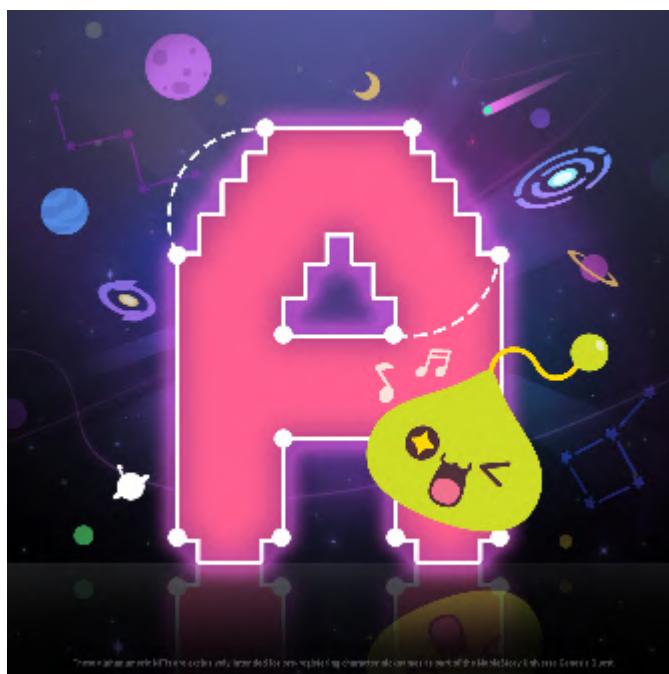

## The Good News

- Gas fees for minting and burning of Make Special Name NFTs, as well as minting reserved name NFTs are fully covered for Explorers to promote this event
- There are zero royalties for buying and selling activities of Make Special Name NFTs and reserved name NFTs on OpenSea (Avalanche)
- You can reserve as many names as you want (no limit)

## 2. Understanding Make Special Name NFTs

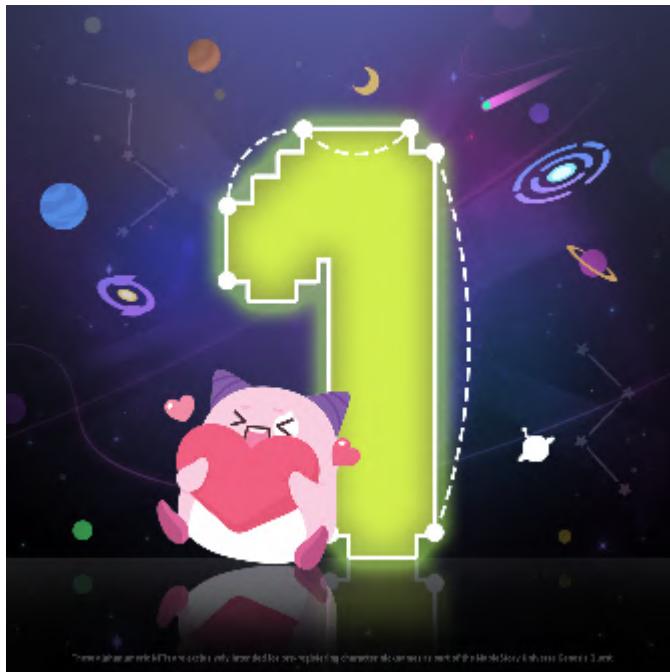

There are four types of NFTs you'll be working with.

### 1. Alphabetic NFTs (A-Z)

- Used for letter characters in names
- Draw probability: 3.4615% each
- Can be used as uppercase or lowercase when reserving a name

## 2. Numeric NFTs (0-9)

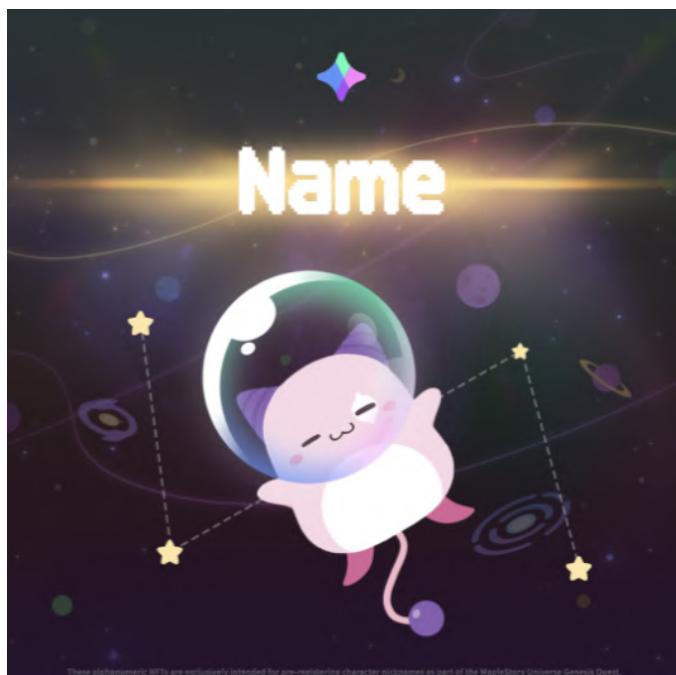

- Used for number characters in names
- Draw probability: 1% each

## 3. Name Length NFTs

- Required for names between 4-6 characters
- Three types available (4, 5, or 6 characters)
- Draw probability: 33.33% each
- Not needed for names 7 characters or longer

#### 4. Reserved Name NFTs

- Reserved names can be minted as NFTs starting on Dec 10th, 2024

### 3. Getting Started

*Note: All numbers and names shown in the images are test data for demonstration purposes only and are not actual data.*

#### How to Earn Tickets for Minting Make Special Name NFTs

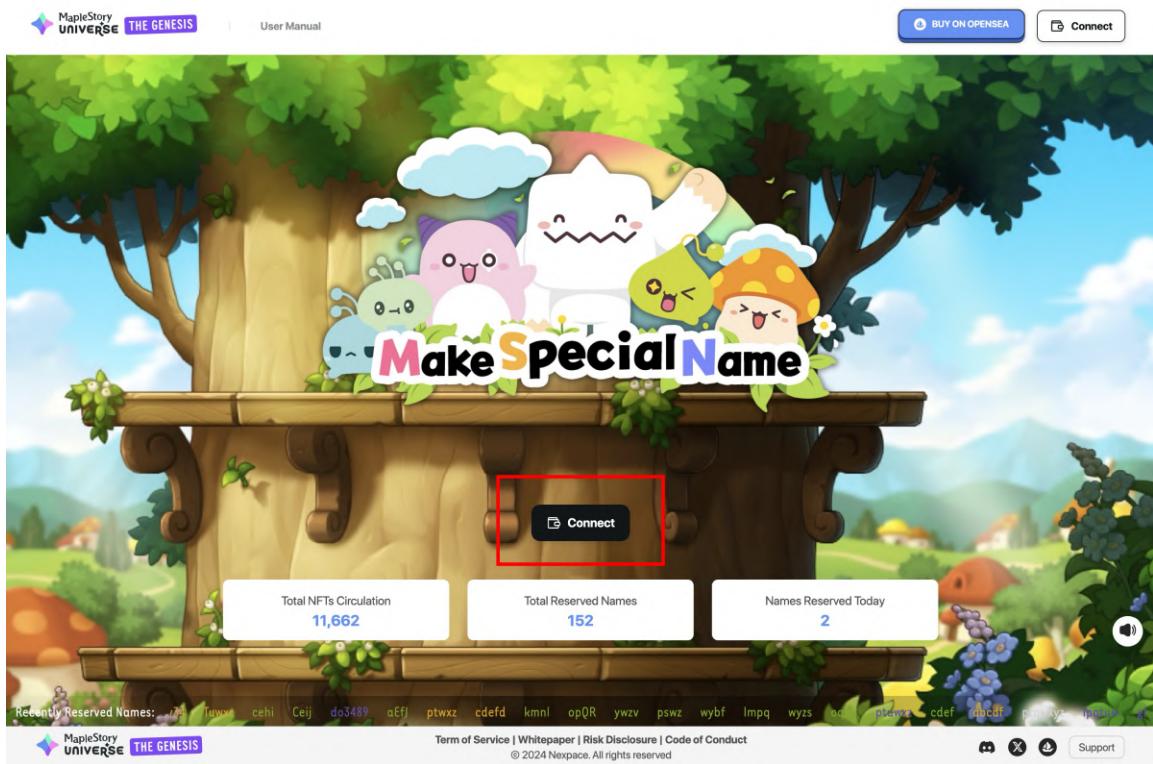

1. Log into MapleStory N
2. Complete the **daily check-in quest** to collect all letters in MAPLESTORY (M, A, P, L, E, S, T, O, R, Y)
3. Exchange your collected letters for a Name ticket

4. Use the Name ticket to enter both **Alphanumeric and Name Length ticket raffles**
5. Check the in-game **Raffle Dashboard** the following day for results. If you win, you can claim your Alphanumeric or Name Length tickets
6. Use the Alphanumeric or Name Length tickets to top up your ticket counts
7. The topped-up ticket counts will be reflected daily at 04:00 AM UTC+0
  - a. Tickets used before update time will reflect in your holdings on the Make Special Name webpage
  - b. Tickets used after update time will reflect in your holdings after the following day's update
8. Visit [make-name.msu.io](https://make-name.msu.io) to mint Make Special Name NFTs using your topped-up ticket counts

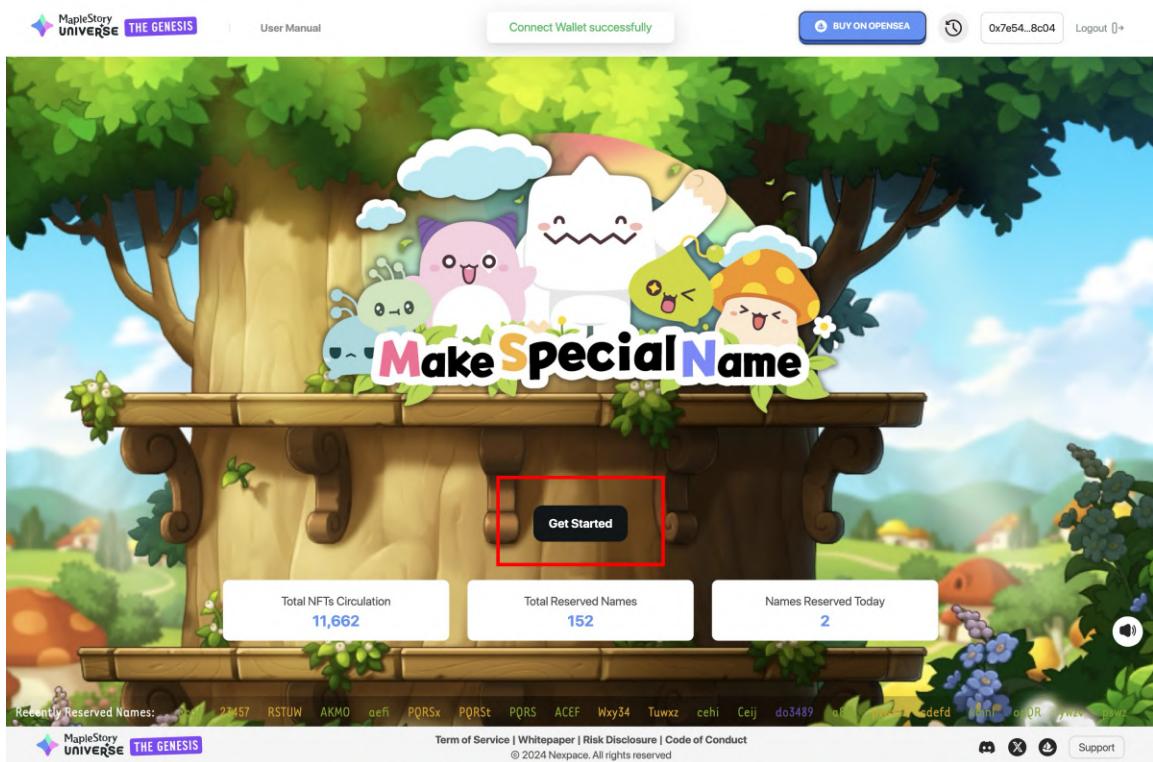

*\* Ticket count updates may vary from the scheduled time. All timing changes will be announced through community channels*

## Starting Your Journey

## 8. Tuner's Tips

- Consider buying and selling activities on [OpenSea](#) (Avalanche) if you need specific Make Special Name NFTs
- Remember that uppercase and lowercase letters count as the same Make Special Name NFTs. For example, alphabetic NFT 'A' can be used to reserve names with either 'a' or 'A'
- Save your Name Length NFTs for shorter names (4-6 characters)
- Keep track of your Make Special Name NFTs in your inventory
- Don't forget - throughout the 2nd Pioneer test and Gear Up period (November 20-December 23, 2024), you can mint more Make Special Name NFTs by buying Alphanumeric and Name Length tickets in [MapleStory Universe Marketplace](#) from fellow Explorers

Take your time to plan your unique name and collect Make Special Name NFTs you need. Whether through gameplay or buying and selling activities, there are multiple ways to acquire both the tickets and Make Special Name NFTs you need for your desired name.

Happy naming, Explorer!
